Data appr.

The figure is an aerial photograph of a landscape featuring a large, dark, irregularly shaped reservoir or lake. The surrounding terrain is a mix of brownish soil and patches of green vegetation. Overlaid on the map are several colored regions and lines representing engineering plans:

- CORONAMENTO**: A green hatched area along the upper edge of the reservoir.
- PARAMENTO DI VALLE**: A brown shaded area along the lower edge of the reservoir.
- AREA DI CANTIERE**: A yellow shaded area on the right side of the map.
- POZZETTO CONDOTTA MURDEGU**: A small black square symbol near the bottom right of the reservoir.
- SFIORATORE**: A red line segment extending from the reservoir towards the bottom right.
- CANALE SFIORATORE**: A grey line extending from the red segment towards the bottom right.
- CANALE FUGATORE**: A grey line extending from the bottom of the reservoir towards the bottom right.
